

Dear Tax-Exempt Filer:

We are sending this postcard to notify you that we will not be mailing a tax package to you, to save the costs of printing and mailing a tax package you may not need. Because the majority of exempt organizations use computers to prepare and print their returns, many of the tax packages the IRS previously sent out went unused. If you need forms, instructions, or other tax products, see *How To Get Tax Products* below.

Each year more exempt organization returns are filed electronically using IRS *e-file*. It's the fastest, easiest, and most convenient way to file your annual return. For more information about *e-file for Charities and Nonprofits*, visit www.irs.gov/eo, or call 1-877-829-5500 (toll free).
